

HYGIENE CERTIFICATE

for the

Oranka Dispenser

European Patent No. EP 0 793 618 B1

Based on the testing carried out on behalf of Wolfgang Jobmann GmbH, I hereby confirm that the Oranka Dispenser meets the requirements of the EU hygiene regulation and is suitable for dispensing drinks in a thoroughly hygienic manner within communal catering environments.

Based on the "Instructions for Hygiene for Operations Personnel" and the HACCP documentation derived therefrom, the correct operation of the Oranka Dispenser is guaranteed.
